

COME JOIN US AT A WORKSHOP TO DESIGN A NEW SERVICE TO CONNECT PEOPLE WITH THE GREAT THINGS IN LAMBETH!

ALL YOUR TIME IS TIMEBANKABLE! FREE LUNCH!

What the project is about

Certitude is creating a new service to help people to try more new things. There will be a website and a team of volunteers who help to make everything work. We want you to help us design this new service to make sure we create something really exciting and useful.

Who we're looking to work with

We would like to work with people who live in Lambeth including some users of Certitude services. Whether you're naturally adventurous in trying new things, or more cautious – we'd like to meet you!
