Your fully accessible car - from the LaSCoT Car Club

The LaSCoT Car Club is ideal for driving friends or family members who need a more accessible vehicle to get out and about.

Low cost: There is no membership fee and you can hire a fully wheelchair accessible vehicle from as little as £37.50 per day plus fuel.

Designed to help: Our vehicles have wide range of features for people with mobility needs – from low floor for easy boarding to full wheelchair accessibility.

Flexible: Whether it's for a day trip or a family holiday, our vehicles can be hired from half a day or for complete weeks. You can even hire a driver for an additional charge.

Easy To Use: Our vehicles are very easy to use and no special driving licence or assessment is needed. We provide drivers free training to ensure a comfortable journey.

Peace of mind: Every vehicle is covered by comprehensive breakdown cover with the facility to return passengers (including wheelchair users).

How to make a booking

Booking your car with LaSCoT car club couldn't be simpler

1) Free membership : There is no charge for joining LaSCoT Car Club, you can register with our helpful and friendly staff straight away.

2) Book your car: Call us on 020 7501 8990.

3) Away you go! Once you have booked, we'll arrange to have your vehicle ready to pick up at our Brixton depot, conveniently located for both Tube and rail.

If you're driving, you can **store your car in our secure car park** for the duration of your hire.
You can find us at

10 Somerleyton Road
Brixton
London SW9 8ND

A few requirements...

Drivers must be aged at least 21 and have held their licence for two years. The driver will also need to provide their driving licence (both parts if a photo licence) as well as identification before being able to hire a vehicle.

Weekends & Holidays

Our vehicles are mainly available during weekends and holiday periods, but may be available at other times. Please contact us to discuss your requirements.

About LaSCoT Car Club

We're a not-for-profit organisation with a 10 year track record of meeting transport needs of people with mobility difficulties.

Our wheelchair accessible vehicles are specially designed to accommodate at least one passenger in a wheelchair, and up to three other passengers.

Vehicles are fitted with the following adaptations:

- Four point wheelchair securing system to ensure that the wheelchair is carried securely
- Lightweight ramp to enable wheelchair users to transfer to the car without leaving their wheelchair
- Full lap and diagonal passenger seat belt for wheelchair user
- Lowered vehicle floor for extra head room and easier access

All vehicles carry a first aid kit and a fire extinguisher. Satellite navigation equipment is available to hirers.
