**The Prince's Trust Certificate in
Employment, Teamwork and Community Skills**

A 12-week journey that can change your life!

The Prince's Trust Team Programme is a **FREE** 12-week personal development programme for unemployed 16 – 25 year olds. It is designed to help get young people's lives working. We offer positive opportunities to develop young people's confidence, motivation, communication and life skills by getting them to work as a team and complete projects in the local community. The programme helps young people gain new skills, experiences and qualifications. Taking part has helped many get the job they want.

Week 1 - Induction - You'll get to know each other through a variety of fun games, icebreakers and problem solving activities.

Week 2 - Team building residential - You'll go away with your Team on an action-packed activity week designed to develop your teamwork and challenge you to break out of your comfort zone!

Weeks 3-5 - Community Project - You and your Team will plan and fundraise for a project that you have chosen and then crack on with work to make a positive difference to your local community. Maybe it'll be a lick of paint at a local community centre or perhaps some gardening at a care home.

Weeks 6-8 - Work Placement - A great opportunity to gain work experience in a job that interests you. Many of our students get great references and some walk straight into a paid job!

Week 9 - Next Steps - A chance to really focus on your future! You'll update your CV with all the great experiences you've had so far - apply for jobs or courses and develop your techniques so you're more confident in that all important interview!

Weeks 10-11 - Team Challenge - You and your Team fundraise, plan and care for a needy group or organisation from your local community. For example you might organise fun days out for young carers or provide much needed new equipment for a disabled centre.

Week 12 - Final Presentation - Your opportunity to shine! You'll plan and host a presentation with your Team for friends, family and project partners where you'll receive your royal completion certificate. Celebration time!

South Thames College run the Prince's Trust Team Programme from 8 different locations: Merton; Wandsworth; Croydon; Tooting; Kingston; Sutton; Twickenham and Mitcham.

Each Team runs for 12 weeks, Monday-Friday from 9:30am-4:30pm (except week 2 team building residential).

The PT Team Programme is free for 16 – 25 year olds who are unemployed, benefits are not affected and travel expenses are reimbursed.
